FOREWORD

The 18th All India Livestock Census covering poultry as well as agriculture implements, machinery and fishery statistics conducted in the state of West Bengal was completed in scheduled time by the Directorate of Animal Resources and Animal Health, Government of West Bengal, with 15th October 2007 as reference date.

This report has been prepared to be very effective with rural/urban as well as mouza/parawise elaborate breakups for each district. Moreover the introduction of a Geographical Information System (GIS) since last census year with digital mapping of livestock data at mouza, G.P., Block, Sub-Division (Rural) and District (Rural) level for rural areas and ward, Municipal area, Sub-Division (Urban) and District (Urban) level for urban area has added new dimension to the livestock census of our state.

In this connection I greatly appreciate the well coordinated team work of Dr. P. K. Bhattacharjee, Joint Director of Animal Husbandry (Statistics) as well as Additional State Livestock Census Officer, Shri T. R. Nath, Statistical Officer and Deputy State Livestock Census Officer, 18th Livestock Census, along with other Officers and Staff of the Animal Resources Development Department in making the 18th Livestock Census a successful one.

Like previous years this census report will be most utilized in formulating different welfare plans and schemes for the state as well as in various relevant research projects.

PREFACE

The final report of the 18th All India Livestock Census for the state of West Bengal with reference date 15th October 2007, has been successfully prepared within due time. This vast well compiled report with district-wise mouza/para level data consists of updated basic data on livestock and poultry population, agriculture implements and machinery, fisheries and livestock and fishery infrastructure.

The team of officers whose hard work and co-operation has been indispensable for the timely completion of census work and publication of the report are Dr. P. K. Bhattacharjee, Joint Director of Animal Husbandry (Statistics) and Shri T. R. Nath, Statistical Officer and Deputy State Livestock Census Officer, 18th Livestock Census, along with innumerable district and state-level Livestock Census Officers and Staff.

The information provided in the report will prove very useful to all those who use animal husbandry related data in their respective work areas.

INTRODUCTION

The Directorate of Animal Resources and Animal Health, Government of West Bengal in co-ordination with Government of India, Department of Animal Husbandry, Dairying and Fisheries, has completed the 18th All India Livestock Census in the state of West Bengal in due time. Apart from enumeration, supervision, compilation and tabulation, this huge census work also involves publication of both hard and soft copies of the report.

Dr. P. K. Bhattacharjee, Joint Director of Animal Husbandry (Statistics) and Additional State Livestock Census Officer, 18th Livestock Census, West Bengal, Shri T.R. Nath, Statistical Officer and Deputy State Livestock Census Officer, 18th Livestock Census, West Bengal and many other Officers and Staff of this directorate have efficiently shouldered the responsibility of completing the census work with perfection.

Planners as well as all people working in animal resources and associated sectors will be amply benefitted from the useful findings of this elaborate census work.

TECHNICAL ASPECTS OF THE 18TH LIVESTOCK CENSUS

The total count of livestock population and its composition is available from the livestock census, which is the most important single source of data. The Department of Animal Husbandry, Dairying and Fisheries, Ministry of Agriculture, Government of India, conducted the 18th Livestock Census with reference date 15th October 2007. The census operations are carried out in different States and Union Territories by the respective State Governments. Undoubtedly an expensive statistical exercise this census it is indispensable for understanding the demographic structure of our livestock so as to be properly equipped to carry out livestock improvement programmes in the country. The livestock census covers not only livestock but includes information on fisheries and agricultural implements and machinery.

In 1919-20, the first livestock census of cattle was conducted. The subsequent censuses were conducted at intervals of five years. 18 such livestock censuses have been completed till now.

In the 18th Livestock Census, breed-wise data of indigenous cattle, buffalo, sheep, goat, pig and fowl was collected for the first time in the State of West Bengal. In the present report the cross-bred and indigenous cattle have been clubbed together as in the earlier reports for comparability with the past.

Canvassed schedule of enquiry in each household obtains information on 512 items for each household. In addition, information on another 127 items on livestock and fishery infrastructure and commercial poultry birds stock is collected for each mouza, ward and each commercial poultry farm. Field workers undertake house-to-house enumeration to ascertain stock of livestock, agricultural implements and machinery, fishing craft and tackle (as well as number of persons engaged in fishing and ancillary activities), etc., possessed by households and institutions. The field work is mainly conducted by primary workers, consisting of staff drawn from the Animal Resources Development Department and Pranibandhu personnel¹.

State-level training of trainers was arranged at Barasat, in the district of North 24 Parganas. A manual of instructions was circulated to all districts. State-level Livestock Census Officers and Headquarters Officers of the Statistical Cell also trained the block/municipality/sub division Livestock Census Officers. The trained officers in turn trained the enumerators in the field work. A tabulation manual was prepared and sent to all districts to obtain the data in tabulated form.

Livestock, Poultry, Agricultural Implements and Machinery, and Fisheries are the four main parts of the Livestock Census. As these four parts involve a huge amount of data compilation, appropriate software called LCMS (Livestock Census Management System) has been developed. In West Bengal, Geographical Information System (GIS) has been developed for digital mapping of livestock data at all levels for each district. The systematic data base prepared in the 18th Livestock Census goes down to the level of mouza/para. The district profile includes pictorial graphs and the write-up gives a comprehensive account of the State's livestock position.

¹educated unemployed youths trained in livestock care by Paschim Banga Go-sampad Bikash Sanstha, a Govt. of West Bengal organisation

I would like to place on record my deep appreciation for Sri Anisur Rahaman, Hon'ble Minister-in-Charge, Animal Resources Development Department, Sri D.K. Chakraborty, IAS, Principal Secretary to the Government of West Bengal, Animal Resources Development Department and Dr K. Saha, Director of Animal Husbandry and Veterinary Services, Directorate of Animal Resources and Animal Health for their constant encouragement in compilation of the Report on the 18th Livestock Census. Their valuable suggestions have greatly contributed to the successful completion of the Livestock Census.

We are thankful to Dr D.K. Das, Chief Executive Officer, Paschim Banga Go-sampad Bikash Sanstha, for his encouragement in the engagement of Praubandhus in the enumeration work.

This report has received immense help and cooperation from all officers and staff of the Animal Resources Development Department. I wish to express my sincere appreciation to all of them for their whole-hearted support.

The preparation of the report has been made possible primarily due to the keen interest of Sri Tushar Ranjan Nath, Statistical Officer and Deputy State Livestock Census Officer, 18th Livestock Census, West Bengal who worked very sincerely and with great zeal in achieving the target of releasing the results in the shortest possible time. Sri Nath developed the aspects of computerization, digital mapping and analytical work, and prepared the district profiles with the Assistance of Dr. Arindam Kundu, Statistical Officer and Assistant State Livestock Census Officer, Smt. Supriya Roy, Bengali Translator and Assistant Livestock Census Officer (Publicity) of this Directorate has also worked hard to make possible the elaborate and informative introductory write up on each of the nineteen districts and for the state of West Bengal as a whole. I also acknowledge the contribution made by other officers and staff of the Statistical Cell in bringing out the results in a very short time.

The statistical help received from the Bureau of Applied Economics and Statistics, Government of West Bengal, Department of Animal Husbandry, Dairying and Fisheries, Ministry of Agriculture, Government of India and other different organisations/institutions for various analytical parts of the Report is thankfully acknowledged.

The management of Silpabarta Printing Press Ltd (a Government of West Bengal Undertaking) and workers deserve appreciation for their untiring cooperation in printing of books and computerized tabulation.

I am sure that scientists, researchers, policy planners and livestock data experts will benefit immensely from the information contained in this publication. We look forward to suggestions and comments on the information contained in this publication, which will be valuable for our future publications.

MESSAGE

I am happy to know that Animal Resources Development Department of Nadia District has conducted the Livestock Census of Nadia district which includes the 18th All India Livestock Census. It contains up-to-date basic data on Livestock and Poultry farm, dairy plant, milk marketing, feed plant, chilling plant, Agricultural implements and Machinery, fishery sector, Animal Husbandry.

This has been made possible by sustained cooperation and hard work of all officers and staff of Animal Resources Development Department of Nadia District headed by Dr. N.C. Biswas, Deputy Director, Animal Resources Development and Parishad Officer, Nadia. Many other officers and staff have made their sincere efforts in conducting the census and preparation of the report.

I hope all users of livestock data will find the information useful in their field of study.

[Onkar Singh Meena]

Acknowledgement

All India Livestock Census, Agriculture implements and Machinery, Fishery Statistic 2007 has been completed successfully in Nadia district. All sorts of data based available information of Blocks, Municipalities/Notified Area Authorities have been incorporated properly. Delay in submission of final report of Census Work occurred due to outbreak of Avian Influenza in maximum blocks of this district.

All Officers, Livestock Dev. Assistants, Prani Bandhus and other staff of this Directorate and Staff and Daily Workers of Municipalities/Notified Area Authorities have performed their allotted jobs related with Census works. I express my thanks to all for successful and smooth completion of such gigantic task.

I also convey my gratitude to the District Magistrate, Nadia, Savadhipti, Nadia Zilla Parishad and Karmadhyaksha, Matsya, O-Pranisampad-Sthaye-Samity, Nadia Zilla Parishad for their valued suggestions and guidelines time to time. I am also happy to note that the B.D.Os, Savapatis of different blocks, Chairmen of Municipalities/Notified Area Authorities of this district who have extended their co-operative hands in respect of Census Works. I also congratulate Pradhans of G.P.s and Councillors of Municipalities/Notified Area Authorities for their active co-operation in Census related matter.

Lastly, it would not be possible to complete such gigantic work without regular guidance & valuable suggestions of Sri Tushar Ranjan Nath, Dy. State Census Officer, West Bengal, Dr. P.K. Bhattacharya, Addl. State Livestock Census Officer, West Bengal and State Livestock Census Officer, West Bengal. I am very much grateful to them too.

(Dr. Nitai Ch. Biswas)
